Travel photography

I was born in great country : Thailand and love to shoot travel Photo in perfect shot to fit in all media like a Brochure , Travel Magazine , Book , Calendar , website etc.

I travel and look for nice place before capture it via my camera. I impress in culture , people , ceremony and life style.

This is my world and beautiful country.

Building Photography

All kind of Building photo is my job like a house project , condominium , resort , restaurant , industry structure.

A perfect architecture to be a perfect shot.

Portrait Photography

Art of human photo presented by eyes , face , emotion and pose.

Expression in many concepts.

Wedding photo : bride & groom , children , family , fashion etc.

Show your emotion and make a nice portrait.

Aerial Photography

Flying over the sky to shoot my beautiful world. See in difference vision and get picture from high.

It show detail of place , location , building and every thing you never seen before.

Look from the sky and shoot by high vision.

Documentary Photography

Every where have a story and some story never told before. Explore to amazing world and look for a story. Bring it back and published in media to tell a story.

In many story I ever shoot and some of it published in book and magazine.

Let's see a photo what a story was in.
